Teacher's note:

This is an impressive group of students. They have gone above and beyond during, quite possibly, the most difficult year of their lives. I couldn't be more proud of every single one of them. This work is inspiring, funny, disturbing, heart-warming, and most importantly, honest. Please enjoy the amazing work these talented students have created.

The non-profit LACHSA Foundation ensures that the most remarkable student artists in LA County are able to engage in a transformative conservatory incubator, regardless of their backgrounds. Each year, LACHSA Foundation works to fund the actual costs of the arts curriculum and programs by cultivating relationships with a broad base of donors who recognize how critical it is to support young artists destined to change the world.
